

[The Northwoods Best Mix, Mix 96](#) is giving you a chance to **win \$965.00 in Christmas Cash**, as well as \$96.50 per day leading up to our **Christmas Cash drawing!**

Starting November 1st through December 10th, listen Monday thru Friday between 6am and 4pm for our **Christmas Cash giveaway sounder**. When it plays, we will announce during it, that day's keyword. Make note of the Keyword and text it to us via our Mix 96 Text Club. **Our text club number, 844-468-1026.**

All texts that are received with the **CORRECT** keyword will be entered to win our \$965.00 Grand Prize in a general drawing on Mix 96 December 13th. Along with that, we will be drawing once a day **from** the **CORRECT** daily text entries one name to win \$96.50. All qualifiers will be notified by text that you are entered. All daily winners will be contacted by telephone call, so a check in your winning amount can be sent via USPS.

To be sure you are ready to win cash, join our Text Club by going to [www.mix96northwoods.com](http://www.mix96northwoods.com) and add us as a contact on your phone; then you don't have to worry about trying to remember our text line number.

No purchase is required to enter. Our contest is open to all ages. And if you don't text, don't worry; stop by the Mix 96 studios and drop your name *once* into our entry box. You may enter to win the \$965.00 as many times as we play the **Christmas Cash giveaway sounder**, but you may only win the \$96.50 daily prize once during qualifying for the Grand Prize. These contest rules apply to all participants. General contest rules also apply and can be seen at <https://www.mix96northwoods.com/heartland-contest-rules/>.
